

## New Home ISD Grading Policy Explanation

1. Only core classes count in determining a student's GPA.
2. Grading notations are as follows:
  - a. J = a course taken in Junior High with GPA weighting and HS credit
  - b. H = a honor course taken in High School
  - c. D = a dual credit course taken in High School
  - d. J is weighted 5 points per semester
  - e. H and D are weighted 10 points per semester
3. Weighting is not shown in semester course grades.
  - a. Ex. A 94 listed with an "H" would be a 104 with weighting
4. Weighting is only included in a student's cumulative GPA.
