Parents,

We will have Pre-K registration for in-district students and siblings of current transfer students for the upcoming 2017-2018 school year on April 12th. It will be held in the library at 2:45 to 3:30. You will need to have the following items for the child to register:

- Birth Certificate
- Social Security Card
- Shot Records
- Proof of Residence in the district
 - Example: Light Bill, Phone Bill, etc...
- For siblings of current transfer students, please have information on the sibling who is already in our school.

As per policy, we fill spots with in-district students first, siblings of current transfers second, and new transfers third.

This registration ***is not*** for students who are potential transfers. That will occur at a later date after we see how many students we have in-district and siblings of current transfers.

This is an exciting time to be a Leopard and we are glad to be a part of this next step with your young student.
